

Abbey Consulting
is committed to meeting our
patients' needs with
comprehensive
case management.

This includes establishing
close communication
between the patient,
physicians, and
other medical and
ancillary services.

Our goal is to assist every
patient to achieve
maximum rehabilitation,
independence and the
highest functional level.

*Abbey Consulting
was founded in 2006 after a
family member acquired a
traumatic brain injury.*

*"The best case manager in the world.
Thank you for being my
case manager.
We love you." - Jim*

Bonnie de Manincor, RN, BSN, CCM
Founder/CEO
Rehabilitation Case Manager

*Over 25 years of experience
improving people's
quality of life,
one patient at a time.*

Medical

Case Management Services

We are here to assist you in coordinating the numerous appointments, diagnostic tests, therapies, transportation, or any other component of your care after a motor vehicle accident or work injury. We can also help you understand the laws and medical terminology surrounding your care. We are patient advocates and care about you and your recovery.

- ◆ Coordinate rehabilitation services for individuals hurt in automobile or work related accidents
- ◆ Attend medical appointments & interdisciplinary team meetings
- ◆ Coordinate discharge planning
- ◆ Facilitate and coordinate occupational home evaluations
- ◆ Work closely with construction companies / builders
- ◆ Coordinate home modifications tailored to patient's needs
- ◆ Assist in arranging transportation services
- ◆ Assist in identifying community resources
- ◆ Work with attorneys and insurance representatives
- ◆ Identify physicians and schedule second opinions
- ◆ Life Care Planning
- ◆ Home Equipment Assessments

Geriatric

Case Management

You do not have to be responsible for caring for your loved ones. Whether it is in their own home or transitioning to a new setting from a disability, prolonged illness or the challenge of aging... we can help.

Let a geriatric case manager from Abbey Consulting be your patient advocate.

Featured Services Include:

- ◆ Regular visits to your loved one
- ◆ Perform an assessment to evaluate your family member's needs
- ◆ Develop and monitor a plan of care
- ◆ Referrals to appropriate medical providers, such as physicians and therapists, as well as community resources
- ◆ Obtain durable medical equipment (DME)
- ◆ Facilitate custom home modifications for increased safety and mobility
- ◆ Coordinate replacement services
- ◆ Arrange for attendant care
- ◆ Accompany your family members to medical and therapy appointments to help review and interpret:
 - appointment results
 - medical records
 - prescribed medications
- ◆ Work closely with families to provide regular updates

Vocational Consulting Services

We have a process in place for assisting injured individuals in overcoming barriers, returning to work, and maintaining employment after a motor vehicle or work-related accident

- ◆ Assessments
- ◆ Testing
- ◆ Job seeking skills training
 - Resume
 - Applications & interview practice
 - Instruction on job search protocol
 - Follow up with clients & employers
- ◆ Job Placement
- ◆ Job Analysis
- ◆ Job Coaching
- ◆ Educational Coordination
- ◆ Assistance with completion of paperwork for Social Security Disability Insurance (SSDI)
